Operations Election, 1/4: CryptoTank

This proposal seeks to confirm or reject CryptoTank (juno13fh8p4ctmv5mjcl3q99l4uh89crwx0w5me0dxf) to the Operations Department to perform the duties defined in the Juno Charter.

Find more at the nominee's social media: https://twitter.com/CryptoTank_ or cryptotank on Discord

You can view all the Operations nominees and their formal nominations at the Operations nomination thread on Commonwealth.

Finally, you can listen to the recorded "Meet Your Nominees" X Space hosted and organized by the Juno Communications subDAO.

Voting

If confirmed by a Yes vote, the nominee will be appointed to the Department for the six month term of the Charter.

If rejected by a No or No With Veto vote, the seat will remain vacant.

Voting Abstain contributes to meeting quorum but does not express a preference either way.
